Concert Element 50

Hi-fi Bookshelf Speakers

Concert Element 50 is built on the same principle that runs through the entire Concert Element range: the circular driver module extends beyond the shallow cabinet, placing the driver at the centre of the design rather than inside it.

At bookshelf scale, that principle produces a speaker that genuinely fits the shelf it is named for – and genuinely performs in the room it inhabits.

A 2-way architecture with bespoke SB Acoustics drivers and nettle fibre cones, tuned to this specific cabinet volume. Pair it with the amplifier you choose.

Key Features

True bookshelf – Speakers that fit on the shelves they are named after.

25 mm soft dome tweeter with Waveguide – Balanced precision and smoothness for increased airiness and detail.

Nettle fibre cone and aluminium phase plug – Bespoke 165 mm midwoofer for low distortion and colouration.

Down-firing port tube – Flexible placement, no compromise in audio quality.

Technical Specifications

Acoustical Features	Type	Hi-fi bookshelf passive speakers 2-way bass-reflex
	Speaker Drivers Configuration & Technologies	• LF : 1 x 165 mm (6.5″) woofer Scandinavian nettle fibre cone 4 layers voice coil Jamo phase plug • HF : 1 x 25 mm (1″) tweeter Soft positive dome
	Bandwidth (+/-3dB)	45 Hz – 22 kHz
	Low-frequency Cut-off (-6dB)	40 Hz
	Sensitivity (2.83V @ 1m)	89.5 dB
	Recommended Amplifier Power	40 W – 150 W
	Impedance	4 Ω
	Inputs	Single-wiring terminal
Product Main Information	Product Dimensions (Including Feet) H x W x D (mm) H x W x D (inches)	 378.9 x 319 x 269.5 mm 14.9″ x 12.5″ x 10.6″
	Net Product Weight (Unit)	8.3 kg / 18.3 lbs
	Included Accessories	Magnetic grilles (2 sets); dark grey and light grey Rubber pads
	Available Colours	Onyx Northern Frost

Onyx
